

## Diabetes

### What's the groups name?

- Diabetes UK – Chesterfield and North Derbyshire Group.

### Where and when do they meet?

- Education Centre, Chesterfield Royal Hospital – 2<sup>nd</sup> Monday of the month (March to November)

### How many people are members?

- 300 + (around 40-50 people attend each meeting).

### Who's invited?

- People who have diabetes, their family members and carers, together with professional, medical and nursing staff and members of the public who are interested in learning more about diabetes.

### What does the group do?

- Encourages and educates people with diabetes and the general public to understand and accept the condition.
- Encourages people with diabetes to join the national association.
- Raises funds to support the group, its work and for research.
- Supports the Diabetes Education Centre at the Royal Hospital by providing Diabetes UK literature.

### Would the group meet staff to talk about the work they do?

- Yes. The group is willing to meet small groups of staff (12 or less) and will give a presentation or talk about the work they do.
