WHO WE ARE
Macmillan Cancer Support, Chesterfield Royal Hospital, the National Garden Scheme and the people of North Derbyshire worked together to open the NGS Macmillan Unit in 2017.

The Macmillan Information and Support Centre is located in the entrance of the NGS Macmillan Unit. The centre offers advice and information to anyone affected by cancer. You can drop in to the centre to meet the staff and volunteers who will help you find the information and support you need. Our information and support services are available to anyone in North Derbyshire.

WHAT WE OFFER
- a warm welcome
- confidential one to one support
- an up-to-date range of information about cancer
- access to Look Good Feel Better service
- access to psychology service

- access to a range of physical activities.

WHAT PEOPLE ASK US
- Is there someone I can talk to?
- How can I learn more about the type of cancer I have?
- Who can I speak to about benefits advice?
- Do you have any details about local activity groups or support groups?
- Is there help on talking to children about cancer?
- I’m finishing treatment, so what happens now?

DROP IN
If you have any concerns about cancer, then please drop by and speak to us. We are here to help from 8.30am to 4.30pm, Monday to Friday. You don’t need to make an appointment but please note some services are appointment based.
